

MOLECULE

A group of atoms bonded together.

METHANOL

Is made of the elements...

Is used for...

Looks Like...

AMMONIA

is made of

Looks Like...

Is used for...

HYDROGEN PEROXIDE

Is made of the elements...

Looks Like...

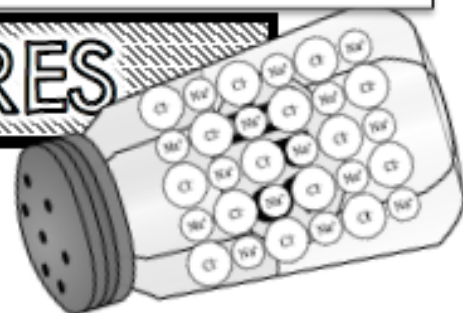

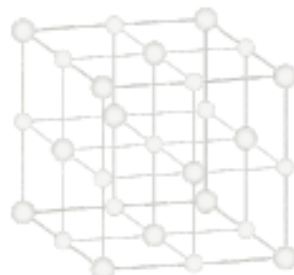

Is used for...

FACT

Molecules can range in size from 2 to 2,000 atoms!

EXTENDED STRUCTURES

SODIUM CHLORIDE

DIAMONDS
